FOUNDER'S DAY CELEBRATION

On the auspicious occasion of 3rd February, the SPSS family came together to commemorate and pay tribute to the revered Founder, Sir Padampat Singhania ji, on his birth anniversary. The day was dedicated to honoring his visionary ideals, noble values, and enduring legacy.

The SPSS fraternity offered a floral tribute to the fountain of inspiration, remembering Sir Saheb's invaluable contributions. The celebrations commenced with the lighting of the divine lamp, invoking

the blessings of the Almighty. This was followed by devotional bhajans presented by students and teachers, along with a captivating dance performance.

A thoughtful presentation highlighting the life and achievements of this illustrious personality was showcased, motivating students to imbibe and emulate the philosophy and principles upheld by Sir Saheb.

In alignment with his philanthropic vision, several benevolent initiatives were

undertaken, including a Tree Plantation Campaign and the distribution of eatables, blankets, and clothes to orphans and the underprivileged. These activities were organized by the members of the Eco Club and Principal's Club, reflecting the spirit of service championed by Sir Saheb. On this significant day, the teachers and students collectively pledged to uphold the mission envisioned by Sir Saheb and to continue walking on the path shown by him.

PRIZE DISTRIBUTION CEREMONY

Meritorious students who excelled in the STSE, SOF GK, and SOF English examinations, along with winners of the Rangotsav National Painting Competition, were felicitated for their outstanding achievements. The students were appreciated for their hard work, creativity, and dedication. Their accomplishments brought pride to the school and served as an inspiration for other students to strive for excellence in both academics and co-curricular activities.

As the Activity Coordinator, I'm excited to share some of our recent highlights. Our students shone brilliantly at the annual function, showcasing their talents and entertaining the audience with great enthusiasm. The Art Club's exhibition was a visual treat, featuring creative pieces that beautifully reflected our students' imagination and artistic skills.

A workshop on sustainable practices was also a great success. It helped students to learn eco-friendly habits and ways to make a positive impact on the environment. We're proud of our students' efforts in reducing waste and promoting environmental awareness.

Upcoming events include an Inter-School Debate Competition and Sports Day, promising exciting opportunities for students to showcase their skills and teamwork. Let us cheer them on and encourage them to achieve their best.

Stay tuned for more updates, as we continue to celebrate our students' achievements.
